GOAL ARC

The Goal Arc is located directly in front of the goal. There is no ball contact allowed within the goal arc. Players are permitted to pass through the goal arc. If any part of the player's body is in the goal arc, plane of the goal arc, or on the line, they are considered to be in the goal arc. If the ball stops in the goal arc area, including on the line, a goal kick is awarded. If a DEFENSIVE player touches the ball inside the goal arc, a GOAL is awarded to the opposing team. If an OFFENSIVE player touches the ball within the goal arc, a goal kick is awarded to the opposing team.

GOAL SCORING

A goal may only be scored from a touch (offensive or defensive) within the team's offensive half on the field. The ball must be completely on the offensive half of the field, and cannot be touching the mid-line (Example: Kick-Off). If a player in their defensive half kicks the ball across the midline and the ball hits another player (offensive or defensive) and the ball goes in the goal, a goal will be awarded. If a ball is kicked from the defensive half and is not touched before the ball rests in the goal, a goal kick is awarded the defensive team.

Coaches are not allowed on the field at any time the ball is in play. U6 Coaches are allowed to enter field and quickly help players line up for restarts and then are to exit.
