NON - ISA LEAGUE PLAY

*****Must Be Done At Least Two Days Before Game*****

ISA teams request permission to play eligible games outside the scheduled league games, including tournaments and friendly games, prior to participating in such games. Email your commissioner with this information in a timely manner.

Games outside of ISA league play which are hosted by ISA teams and played at the PepperPlex must request the ISA Referee Assignor to provide referees for such games. The teams will pay the cost of the assignor's fee and the referee fees for that game.
